Themen

- Interviews und Leitfaden

Ablauf Interviews

- Inhaltliche Vorbereitung
- Organisatorische Vorbereitung
- Durchführung und Aufzeichnung
- Transkription
- Analyse des Transkripts

Ablauf Interviews

Inhaltliche Vorbereitung:

- Thema und Forschungsfrage festlegen: die Frage „benötigt“ Interviews
- Befragungspersonen auswählen
- Zusammenstellung vom **Leitfaden**
- Literatur zu dem Thema, theoretische Einordnung
  - Was haben andere schon zu diesem Thema gemacht?
  - Welche Themen sind für die Forschungsfrage relevant?

Ablauf Interviews

Organisatorische Vorbereitung:

- Befragungspersonen kontaktieren und rekrutieren
- Probeinterview durchführen, darauf basierend Leitfaden iterieren
- Einverständniserklärung fertigstellen und vor Interview unterschreiben lassen
- Dokumentationsmethode und Tools
- Planung: Termin, Ort, anwesende Personen, andere Details

Ablauf Interviews

Durchführung und Aufzeichnung:

- Intervieweröffnung (Thema)
- Interviewer*in steuert Ablauf:
  - Reaktionen auf Fragen verfolgen (auch nonverbal)
  - Anpassung von Fragen, Themen (halbstrukturiertes Interview)
  - Empathisch reagieren, langsam Aufbauen
- Während und nach Interview: Notizen machen, z.B. Eindruck von interviewter Person, Räumlichkeiten, Atmosphäre, Nebensächlichkeiten, etc.

Ablauf Interviews

Nach dem Interview: Transkription

- Vollständig verschriftlichen
- Nicht nur Interviewtext sondern auch: Pausen, Lachen, Tonhöhen, etc.
- Transkriptionssoftware & Tools:
  - Manuel: Express Scribe, Inscribe, F4
  - AI-Tools: Text muss überprüft werden

Analyse der Transkripte:

Qualitative Datenanalyse

Leitfaden für halbstrukturiertes Interview

- Gerüst für Datenerhebung
- Geordnete Liste offener Interview Fragen
  - Fragen nicht wortwörtlich vorgegeben
- Flexible Anpassung:
  - Wortwahl, Reihenfolge, Zusatzfragen, etc.
- Ergebnisse unterschiedlicher Interviews werden *inhaltlich* vergleichbar
- Üblich: 1-2 Seiten lang

- Teil der Abgabe vom Forschungsbericht

Döring, N., & Bortz, J. (2016). Forschungsmethoden und evaluation. *Wiesbaden: Springerverlag*.

Leitfaden Aufbau

Einleitung: Thema kurz vorstellen: Infos gut überlegen, um Bias zu vermeiden

- Biografische Grundinfos erfragen (Alter, Ausbildung, Beruf, etc.) passend zur RQ
- Anfängliche Fragen klären (z.B., zur Einverständniserklärung)

Hauptteil: Allgemeine Fragen zum Untersuchungsthema

- Ergänzend: detaillierte Fragen, nachfragen
- Gegen Ende: Heikle oder persönliche Fragen

Ende:

- Rückblick: Zusammenfassung, fehlt noch etwas?
- Ausblick: nächsten Schritte, z.B. was passiert mit dem Interview?

Döring, N., & Bortz, J. (2016). Forschungsmethoden und evaluation. *Wiesbaden: Springerverlag*.

Leitfaden

- **Faktenfragen** (Alter, Beruf, etc) nur notwendige Infos
  - Am Anfang als Einstieg, einfache Fragen
- **Offene Fragen** (*Worauf legen sie dabei wert? Wie haben sie sich dabei gefühlt*?)
  - Anregen zum Beschreiben und Erzählen
  - Knappe Antworten verhindern, nachfragen, auf Details eingehen
  - Zu viele Warum-Fragen vermeiden: können beurteilend wirken
- **Suggestivfragen vermeiden**:
  - *Was haben sie getan, um wieder gesund zu werden*?
  - Besser*: Wie sind sie mit der Krankheit umgegangen*?
- Ja/Nein Fragen bei Bedarf als Filterführung

Category 1: Introduction (5 min.)

- Shortly describe study purpose
- Their name, age, distant family (country)
- Highlight details from informed consent; do they have any questions?
- Emphasize that there are no good or bad answers

Category 2: Play Preferences (15 -20 min.)

Play with family members

- Who do you play with (regularly within your family)?
- What do you play with X, Y, Z? How frequently do you play?
- How do you usually feel after you play with X, Y, Z?
- Would you say that is frequent enough for you? Why (not)?

Specific play / games

- Can you show me your favourite game or toy? (or 'activity you like')
  - Where do you usually play?
  - How do you play with it?
  - Who do you play with?
- Do you have any games that you play with your remote family?
  - Which ones? Which ones would you like to be able to play at a distance?
- How do you play when your remote family members visit?
  - What do you play when you visit them?
- Are there specific games, toys, or activities that you enjoy in your family?
- Are there any games that you invented in your family?

Category 3: Communication Preferences (10 min.)

Communication with family members

- Who do you talk to (regularly within your family)?
- What do you talk about with X, Y, Z?
- How do you usually feel after you talk with X, Y, Z?
- How frequently do you talk?
- Would you say that is frequent enough for you? Why (not)?

Category 4: Digital Media to Stay in Touch (20 min.)

a. *Their technology*

- Which device(s) do you use to keep in touch with your distant family member?
  - Show and tell! How do you use them?
- Which applications do you use to keep in touch with your distant family member?
  - Show and tell! How do you use them?
- Which other ways do you use to stay in touch (letters, calendars, …)?

b. *Exemplary contact*

- Tell me about the last time you phoned / facetimed / chatted with your distant family member? What caused this contact? (ritual to call, a special event…)
- Who initiated this contact? Who usually initiates contact?
- Where were you in the house? Where do you usually take calls?
- What was the content / What did you talk about?
- Did you feel engaged in the contact? Did you feel the other family member was engaged in this contact?
- What would you change about such calls?

c. *Other questions*

- What are other common communication tools used in your family? How do you participate in them (WhatsApp group, video call, etc)
- How would you improve the contact to your distant family members?

Category 5: Challenges (10-15 min.)

- How is the experience of living far away from your family?
- Are there any challenges you face? Which ones?
- What would you like to change about the way you communicate at a distance?
- How can you feel emotionally connected through digital media?
  - What would you need to feel emotionally connected through digital media?

Category 6: Wrap-up (5 - 10 min.)

- Is there anything else you would like to add?
- *Short summary of interview; next steps in the study*
- Thank you very much for your input!

Leitfaden ausarbeiten

Basierend auf Literaturrecherche und Fragensammlung:

- In Miro Leitfaden starten
- Leitfaden für Probeinterviews fertigstellen
- *Ziel: Leitfaden für ein 30 min. Interview*

- Leitfaden abgeben in Moodle bis 31.10.

Für nächstes Mal

- Leitfaden ist fertig für Probeinterviews (**ausdrucken** und mitbringen)
- Ihr interviewt euch gegenseitig und schreibt Notizen zum Leitfaden
- Probeinterview **aufnehmen**

Zusätzlich für Gruppenarbeit:

***Interviewteilnehmende** finden und Termine ausmachen*
